

## COVID-19 RESPONSE

*Please read the following appeal to your congregation before collecting the Offerings.*

**“My Children, our love should not be just words and talk, it must be true love, which shows itself in action.” 1 John 3:18**

### APPEAL:

When a crisis strikes, it’s an opportunity for us as a church to reach out and help others. During this month of July, a portion of your combined offering will go towards COVID-19 Response. Its purpose is to help communities devastated by this pandemic.

All COVID-19 Response offering will be used by the local church, world divisions and fields to fund initiatives to help those suffering from this pandemic. Masks, essential supplies, counselling ... Whatever it takes.

Every donation makes a difference!

### PRAYER:

Dear Heavenly Father, please bless this offering so that by giving it we can share Christ’s love not only in word, but also in tangible acts of love.
