## What is the purpose of a Church Financial System?

- To collect and disperse information that allows the most efficient allocation of economic resources.
- People and Organizations have virtually unlimited wants, but the economic resources to produce those wants are limited

# Church Financial System

- **The financial system of an economy provides the means to collect money/resources from the people who have it and distribute it to those purposes that will yield the greatest return and for the Church it is to those various needs of the work.**
  - Sabbath School Mission Offerings
  - GC/Division/Union Offerings
  - Local Conference/Mission/Field Development Funds
  - Local Church Funds

# Church Financial System

- (If the work is finished in one place Jesus will not come) eg Thembisa, Lusaka, Mangochi, Huambo or Sao Tome

- **If more money is your hope for financial independence you will never have independence.**
- **Its not the Huge allocation of Funds that makes an individual or Organization to operate efficiently** or to be financially viable to meets its demands
- **The only real security that a man or organization will have in this world is a reserve of knowledge, experience and ability.**
